INTRODUCTION

Greetings from BalticShop!

We hope you have had a good year and are ready to top it off with a joyous holiday season! Sweets, of course, are a staple during the holidays. Surprise your neighbors or colleagues with a holiday treat off the beaten path - Pergale Lithuanian truffles and chocolates, Kalev Estonian chocolate bars or Vana Tallinn chocolates, or a Latvian Laima chocolate assortment. Treat your family and guests to gingerbread cookies from the Baltics or childhood favorites such as Gotina milk toffies. Check out our Christmas Treat pages for more ideas - from zephyr and jelly candy to chocolate covered strawberries and butter cookies. For a more serious food gift we have whole or sliced loaves of rye bread, which can be paired well with a jar of honey or jam.

Enough about food! BalticShop has a lovely selection of silver, bronze and amber jewelry. A gifted pair of earrings or a traditional ring will be cherished for a long time. Ethnic design kitchen towels and mitts are a nice touch for that hard-to-shop-for aunt. Little kids can never have too many books to help them along with their heritage language. And for stocking stuffers we have cute souvenirs with folk motifs. This year, bring some Baltic love into your home and to those around you!

Wishing you a wonderful, cheery and blessed holiday season,
Your friends at BalticShop
