Chocolate truffles melt in your mouth and warm your heart, and these are so easy to make! With only three ingredients, 1-2-3... They're done!

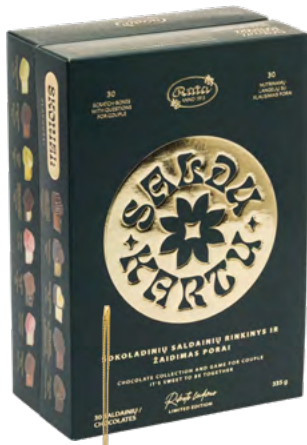

- Ingredients:
- 4 5.6-Ounce (160 g) packages of "Pētergailis" chocolate cookies →
 - 1 14-Ounce can sweetened condensed milk
 - 7 Tablespoons butter, melted

Directions:
Grind or crush the "pētergailis" chocolate cookies (best done with a blender). Set aside half of a package of cookie crumbs (about 2/3 cup) for coating. Combine 3.5 Packages of cookie crumbs with sweetened condensed milk and melted butter.; Mix until well blended.
Roll the mixture into balls. If the mixture seems too soft, scoop it into mounds and refrigerate for 20-30 minutes before forming the balls.
Roll each ball immediately in the cookie crumbs that were set aside (otherwise the truffle will dry and crumbs will not stick to it). For variety, you may also use coconut shavings, finely chopped nuts or wafer crumbs for the topping.
